How to send files using WeTransfer

How to send a folder on WeTransfer

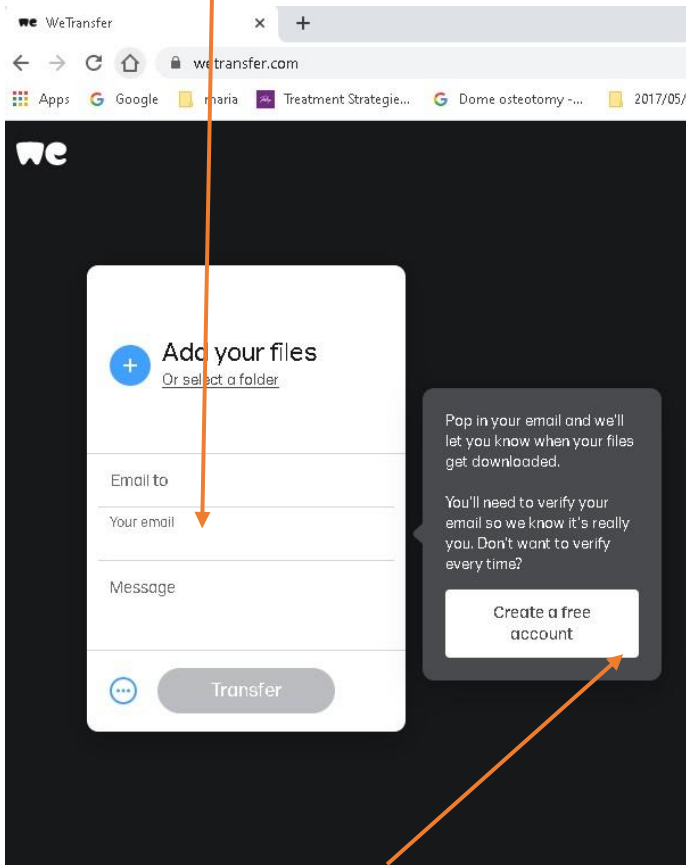

1. Open a Browser to the Internet

2. Type in "WeTransfer.com" in the address line.

3. Enter your email address in "Your email".

You could also create a free profile for future use

Sign up for a WeTransfer account

Full name

Email address

Password ?

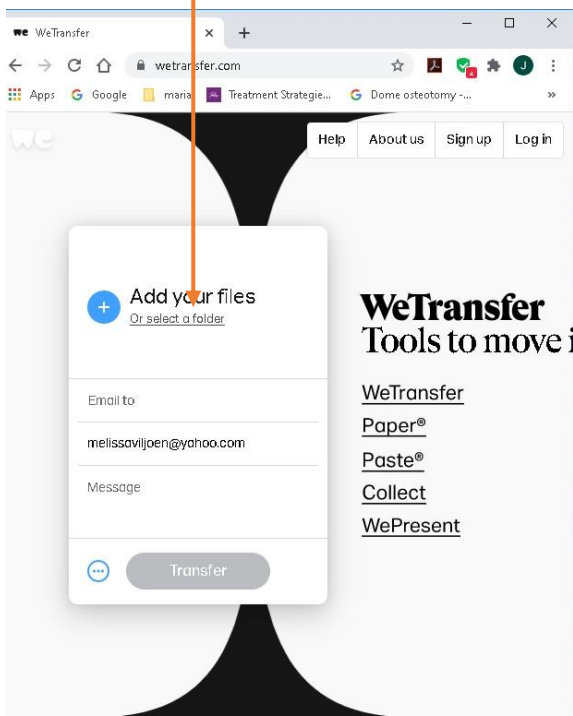

Confirm password

I agree to the [Terms of Service](#)

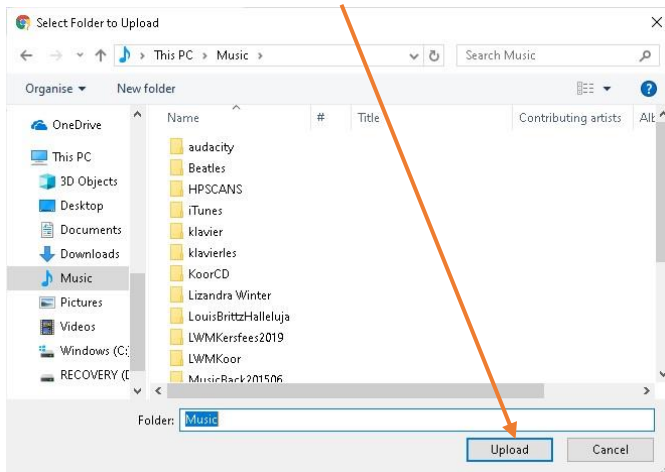

I would like to receive WeTransfer news and product updates

Let's go

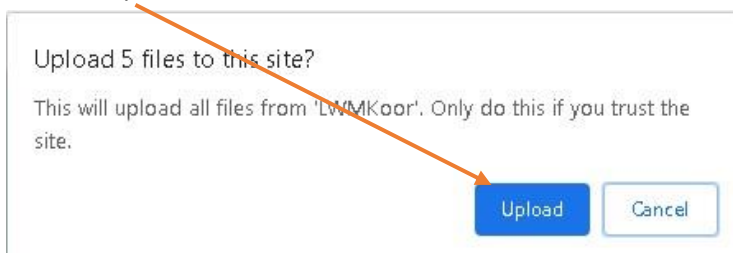

4. Click on Transfer Folder

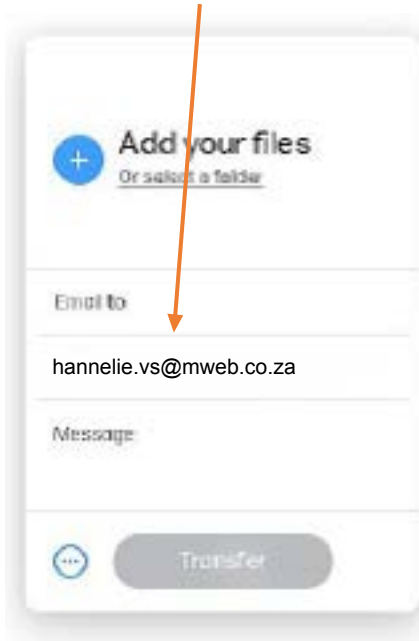

5. Choose a folder and upload

6. Choose Upload

7. Type in the email address of the recipient of the files

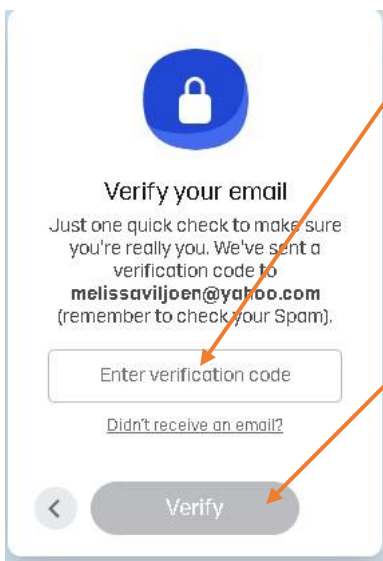

Add a message if you like

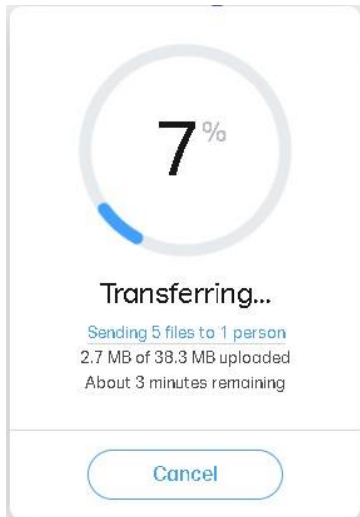

8. Click on Transfer

9. Verify your email address (type the code mailed to you) and Verify

10. Your files are being sent

Ensure that the process completes (100%). You will receive an email that the files was sent and again when the receiver downloads the file(s). As the files are only stored for 7 days, check with the receiver if you do not receive a notice that the files are downloaded.
